

Information sought by Mr. Ashutosh K Mishra (80022), under RTI Act 2005 - Submission of information

The point-wise reply pertaining to GAIL (India) Limited are as follows:-

S. No.	Query		Reply
	The BJP's Election Manifesto for 2014 promised the following actions concerning your department:		
	Action Point in BJP Manifesto	Page No. in BJP Manifesto	
1	We will establish a system, which eliminates the scope for corruption. We will do this through: a) Public Awareness b) Technology enable e-Governance - minimizing the discretion in the citizen - Government interface. c) System-based, policy-driven governance - making it transparent d) Rationalization and simplification of the tax regime - which is currently repulsive for honest tax payers. e) Simplification of the process and procedures at all levels - bestowing faith in the citizens, institutions and establishments	5	Points at Sl No. 1 to 14 does not pertain to GAIL CSR Department, so no answer is perceived.
2	Open up Government to draw expertise from the industry, academia and society into the services	11	
3	We will generate 'Kartavya Bhavna' among public servants as lives and productivity	11	
4	On the whole, hallmarks of our Governance model would be : People-Centric, Time Bound Delivery	11	
5	Leverage Technology for e-Governance and engage proactively with the people through social media for participative governance and effective public grievance redressal mechanism	11	
6	Government will be ensured to focus on delivery	12	
7	Set up Gas Grids to make gas available to households and industry	32	
8	a) BJP realized the need to focus on generation and distribution of power as a national security issue, so that growth is not negatively impacted due to supply issues in the energy sector. b) The overarching goal of energy security is to ensure affordable energy for various consumer segments.	34	

	Steps will be taken to avoid over-dependence on any one fuel and ensure supplier diversity, to avoid reliance on one supplier, country and developing indigenous capacities to meet the energy needs.		
9	BJP will : come out with responsible and comprehensive 'National Energy Policy'	34	
10	Take steps to maximize the potential of oil, gas hydel power, ocean, wind coal and nuclear sources. BJP considers energy efficiency and conservation crucial to energy security	34	
11	Focus on development of energy infrastructure, human resource development and upgradation of technology	34	
12	Take Steps to increase the domestic a) coal exploration and production, to bridge the demand and supply gap. b) Oil and gas explorations would also be expedited in the country. This will also help to reduce the import bill	34	
13	We will : Encourage Cleaner Production	36	
14	Cleaner fuels will be promoted so as to bring down the pollution levels particularly in the cities.	36
