Independent Auditors' Review Report on the Unaudited Standalone Financial Results of the Company for Quarter and half year ended September 30, 2019 Pursuant to the regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, as amended

The Board of Directors of GAIL (India) Ltd.

- 1. We have reviewed the accompanying statement of standalone unaudited financial results of GAIL (India) Ltd. ("the Company") for the quarter and half year ended September 30, 2019 ("the Statement"), being submitted by the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended read with SEBI Circular No. CIR/CFD/CMD1/80/2019 dated July 19, 2019.
- 2. This statement, which is the responsibility of the Company's Management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim financial Reporting" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
- 4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results prepared in accordance with applicable Indian accounting standards (Ind AS) and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Emphasis of Matter

We draw attention to the following matters:

- (i) Regarding various provisional transportation tariff orders issued by Petroleum and Natural Gas Regulatory Board (PNGRB), these orders have been contested by the company at Appellate Tribunal for Electricity (APTEL) and also certain customers have challenged these orders of PNGRB in Court of Law. Adjustment if any will be recognized as and when matter is finally decided.
- (ii) Company has accounted for impact of embedded derivatives accounting for the period ended September 30, 2019, which resulted in a gain of Rs. 9.55 crores recognized in the statement of profit and loss based on the opinion received from the Expert Advisory Committee (EAC) constituted by

A.R. & Co. Chartered Accountants A-403, Gayatri Apartment Airlines Group Housing Society Plot No 27, Sector -10, Dwarka New Delhi - 110075

The Institute of Chartered Accountants of India (ICAI) for accounting treatment of Embedded Derivatives as per Ind AS 109.

(iii) Regarding CESTAT order confirming the demand for the differential amount by the Central Excise Department in the matter pertaining to classification of 'Naphtha' manufactured by the Company, of Rs. 2,888.72 crore including applicable penalty and interest thereon. Considering the merits of the case, Company has filed an appeal before the Hon'ble Supreme Court. Based on the legal opinion obtained, the company does not foresee any probable outflow in the matter and accordingly has considered the same as contingent liability.

Our conclusion is not modified in respect of above matters.

6. The Statement includes interim financial results/information of 12 joint operations, whose results reflect total revenues of Rs. 250.24 crores and Rs. 496.33 crores, total net profit before tax of Rs. 174.17 crores and Rs. 318.37 crores and total comprehensive income of Rs.164.52 crores and Rs. 308.72 crores for the quarter and half year ended September 30, 2019 respectively and total assets of Rs. 1,079.80 crores as at September 30, 2019 which have not been reviewed by their auditors. These interim financial results/information is based on the statement from the operators. Management is of view that this will not have a material impact on the Company's financial results.

Notes to Standalone Financial Results

- The above unaudited Standalone financial results were reviewed by the Audit Committee and approved by the Board of Directors in its meetings held on 8th November 2019.
- The Financial Results have been reviewed by the Statutory Auditors as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 3. Petroleum and Natural Gas Regulatory Board (PNGRB) has issued various provisional transportation tariff orders in respect of natural gas pipeline tariff. Some of these orders have been contested by the Company with Competent Authority i.e Appellate Tribunal for Electricity (APTEL), which were remanded back by APTEL to PNGRB for review. PNGRB had issued final tariff orders in respect of some of those natural gas pipeline networks. However, these final tariff orders have also been contested by the Company with Competent Authority. Further, adjustment on account of revision, if any, is being recognized as and when the matters are finally decided.
- 4. The Company has adopted Ind AS 116 "Leases" under modified retrospective approach without adjustment of comparatives for earlier periods. The Standard is applied to contracts which existed as at 1st April 2019. The Lease Liability is measured at the present value of remaining lease payments and Right of Use Assets has been recognized at an amount equal to Lease Liability adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognized in the Balance Sheet immediately before the date of initial application. Application of the Ind AS 116 resulted in net decrease in profit before tax of current period by ₹ 1.31 crore.
- 5. In pursuance to Section 115BBAA of the income Tax Act, 1961 announced by the Government of India through Taxation Laws (Amendment) Ordinance, 2019, Company has an irrevocable option of shifting to a lower tax rate along with consequent reduction in certain tax incentives including lapse of the accumulated MAT credit. The Company has not exercised this option for current period and continues to recognize the taxes on income for the quarter and half year ended 30th September 2019 as per earlier provisions. The Company is in the process of evaluating the impact of this ordinance.
- 6. Previous period figures have been regrouped/reclassified, wherever required.

- 5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of the other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian Accounting Standard (Ind AS) and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Notes to Consolidated Financial Results

- 1. The above unaudited consolidated financial results were reviewed by the Audit Committee and approved by the Board of Directors in its meetings held on 8th November 2019.
- 2. The Financial Results have been reviewed by the Statutory Auditors as required under Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- 3. Petroleum and Natural Gas Regulatory Board (PNGRB) has issued various provisional transportation tariff orders in respect of natural gas pipeline tariff. Some of these orders have been contested by the Parent Company with Competent Authority i.e Appellate Tribunal for Electricity (APTEL), which were remanded back by APTEL to PNGRB for review. PNGRB had issued final tariff orders in respect of some of those natural gas pipeline networks. However, these final tariff orders have also been contested by the Parent Company with Competent Authority. Further, adjustment on account of revision, if any, is being recognized as and when the matters are finally decided.
- 4. The Parent Company has adopted Ind AS 116 "Leases" under modified retrospective approach without adjustment of comparatives for earlier periods. The Standard is applied to contracts which existed as at 1st April 2019. The Lease Liability is measured at the present value of remaining lease payments and Right of Use Assets has been recognized at an amount equal to Lease Liability adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognized in the Balance Sheet immediately before the date of initial application. Application of the Ind AS 116 resulted in net decrease in profit before tax of current period by ₹ 2.46 crore.
- 5. In pursuance to Section 115BBAA of the income Tax Act, 1961 announced by the Government of India through Taxation Laws (Amendment) Ordinance, 2019, Parent Company has an irrevocable option of shifting to a lower tax rate along with consequent reduction in certain tax incentives including lapse of the accumulated MAT credit. The Parent Company has not exercised this option for current period and continues to recognize the taxes on income for the quarter and half year ended 30th September 2019 as per earlier provisions. The Company is in the process of evaluating the impact of this ordinance.

6. Previous period figures have been regrouped/ reclassified, wherever required.
