BSE Limited  
Floor 1, Phiroze Jeejeebhoy Towers  
Dalal Street  
Mumbai – 400001

**Scrip Code: 532155**

**Sub.: Disclosure of event or information under Regulation 30 of SEBI LODR Regulations, 2015**

Dear Sir/ Madam,

Please find below disclosure pertaining to event or information as stipulated in Regulation 30 of SEBI (LODR) Regulations, 2015:

Petroleum and Natural Gas Regulatory Board (PNGRB) vide Tariff Order Ref. No. TO/NGPL/25-26/09 dated 27.11.2025, has published the tariff order for GAIL's Integrated Natural Gas Pipeline (INGPL) network, effective 01.01.2026.

PNGRB has approved a levelized tariff of ₹65.69/MMBTU (on GCV basis) as an interim measure over the existing tariff. This interim adjustment primarily accounts for:

- System Use Gas (SUG), *including reduction on account of calorific value*
- Capacity determination

These factors will be subject to true-up during the next tariff review exercise scheduled to take effect from 01.04.2028.

Compared to the previous levelized tariff of ₹58.61/MMBTU, this represents an increase of approximately 12% leading to positive impact of approximately Rs. 1,200 Crore.

At this stage, PNGRB has limited the current adjustment to SUG and capacity determination only. True-up of all other parameters such as actual and future Opex & Capex, transmission loss, working days, revenue-sharing adjustments, and other regulatory amendments will be undertaken during the next tariff review exercise in FY 2027-28, effective 01.04.2028.

This disclosure is in compliance of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Thanking you,  
Yours faithfully,

**(Mahesh Kumar Agarwal)**  
**Company Secretary**
