

GAIL conducts seminar on pipeline health

State-run natural gas major, GAIL organised a joint seminar with NACE International Gateway India Section (NIGIS) on Pipeline Coatings. Around 100 delegates from leading companies such as PNGRB, OISD, IOCL, ONGC, etc., along with GAIL participants, attended the seminar. Ashutosh Karnatak, Director (Projects), GAIL stressed on proper monitoring and analysis of pipeline health and integrity parameters with timely implementation of corrective measures.
