

India's Integrated Energy Forum

Oil & GAS + GAS Tech + Refining & Petrochemicals

+ POWER World Expo 2020

4 5 6
March 2020

CONSUMER CONNECT INITIATIVE

A Correspondent

ChemTECH is organising the largest Integrated Energy Exhibition and Conferences which will witness the entire diaspora from upstream, downstream, natural gas, refining, and petrochemical and power industry converging under one roof from March 4-6, 2020.

It will be a unique event

For an
energy
secure
future

Meet the
industry
leaders at
India's
largest
integrated
energy
tradeshow

that you need to attend to stay abreast with what is happening in the energy sector which will propel and unlock possibilities for an energy secure future. The event will emphasise on 'Fit-to-Purpose' technologies by over 140 exhibitors on display.

The three-day event is led by industry leaders S K Moitra, director onshore, ONGC; P K Sharma, director operations, Oil India

Ltd; S C Mishra, CMD, Oil India Ltd; Rajeev Mathur, ED Corporate Affairs & OSD to CMD GAIL India Ltd; A K Gupta, director (commercial), NTPC; and Manoj Verma, director (power), BHEL. Over 100 speakers who are subject matters in their field would be addressing over 500+ delegates across 4 technical conferences on latest trends and technologies. From enhancing produc-

tion and efficiencies of existing oil fields to efficient transportation of natural gas and LNG, enabling refineries to improve GRMs in oil and gas industry, and decentralising power grids, energy tech is having its day in the sun. It is clear that the next few years are set to transform the entire industry. Industry influencers and mavens such as R C Bhargava, CMD, Maruti Suzuki India Ltd; Dr

Ashutosh Kamatak, director projects, GAIL India Ltd; D K Sarraf, chairperson, PNGRB; B C Tripathi, non-executive chairman, Essar Exploration & Production Mauritius; R P Natekar, ED, BPCL; Gurdeep Singh, CMD, NTPC Ltd; Dr Anil Kakodkar, former chairman, Atomic Energy Commission and chairman, Rajiv Gandhi Science & Technology Commission; Shailendra Roy, CEO & MD, L&T Power;

and A K Jha, former CMD, NTPC will attend and address the industry gathering in Mumbai.

The highlight will be stress on the deployment of efforts that must work in tandem to expand the portfolio and realise the potential of new and improved technologies.
