

GAIL (India) Limited has been included in the international FTSE4Good Index Series for the fourth time in a row, affirming the company's

commitment towards Environmental, Social and Governance (ESG) practices in the oil and gas sector. The index series measures the performance of companies demonstrating strong ESG practices. The

FTSE4Good indexes are used by a wide variety of market participants to create and assess responsible investment funds and other products. GAIL Chairman & Managing Director Manoj Jain said, "I am pleased that the company has been included in the series for the fourth year. This is a proof of our commitment towards sustainable development while also doing business responsibly and focusing on our stakeholders."
