

GAIL (India) Ltd launches a video on World Environment Day

GAIL has been playing a significant role in “Energizing Possibilities” for a cleaner environment & sustainable living considering “Environmental Responsibility” as one of the core elements of its vision statement.

GAIL (India) Limited has been creating awareness through its Hawa Badlo initiative and inducing behavioral changes to ensure a greener and cleaner tomorrow. Through the HawaBadlo initiative GAIL advocates against air pollution, problems caused due to air pollution & solutions for curbing it. It encourages sustainable and environment friendly lifestyle habits such as planting trees, cycling & walking, carpooling, using public transport, conserving energy and using cleaner energy sources like Natural Gas for industries, CNG for automobiles, PNG for commercial uses. To reinforce GAIL's commitment towards Environmental responsibilities on World's Environment Day GAIL employees from all over India took the pledge for: • Environment friendly lifestyle • Planting trees & promoting green environment • Switching to cleaner energy solutions • Spreading awareness about environment. To showcase their responsibilities as a corporate GAIL (India) Ltd has launched a short video on World Environment Day so that the message reaches the Indian masses and every Indian citizen adopts healthy lifestyle habits to curb pollution

GAIL celebrates World Environment Day 2020

To reinforce GAIL's commitment towards environmental responsibilities on World Environment Day, GAIL employees from all over India took the pledge for environment friendly lifestyle, planting trees and promoting green environment, switching to cleaner energy solutions and spreading awareness about environment. To showcase their responsibilities as a corporate GAIL (India) Ltd has launched a short video on World Environment Day so that the message reaches the Indian masses and every Indian citizen adopts healthy lifestyle habits to curb pollution. It has also been playing a significant role in energizing possibilities for a cleaner environment and sustainable living considering environmental responsibility as one of the core elements of its vision statement.
