### **GAIL launches testimonial videos under its online initiative**

Advocating natural gas as cleaner and convenient fuel option towards a gas based economy as envisioned by GoI, GAIL has established a Natural Gas pipeline network of over 12500 Kms. To facilitate energy empowerment and fuel the nation, GAIL launched three testimonial videos under its #SpreadingEnergyofHappiness initiative to motivate masses and enhance usage of Natural Gas. These testimonial videos showcase an autorikshaw driver from Bhubaneswar, a homemaker from Patna and an industrial unit in Bengaluru using Natural Gas as fuel.
