Our CSR Umbrella

ADVERTORIAL

ENHANCING quality of life through clean energy and beyond—with this mission, GAIL, a Maharatna Company under Ministry of Petroleum & Natural Gas has been transforming the lives of people since its inception in 1984. As India's largest gas company, and as a socially responsible corporate, GAIL has implemented many sustainable CSR development projects in the vicinity of its operations.

GAIL undertakes CSR projects under seven major focus areas: **Arogya** - health related projects, **Ujjawal**-education initiatives, **Kaushal** - skill development initiatives, **Unnati** - rural development, **Sashakt** – women empowerment initiatives, **Saksham** - Care for elderly and differently abled, and **Harit** - environment-centric initiatives. These seven focus areas remain at the heart of GAIL's CSR interventions and cumulatively has been appropriately termed- **GAIL Hriday**.

Major CSR Projects:

- As a flagship CSR project under GAIL Arogya, doorstep medical care facilities are provided to underprivileged population through operation of Mobile Medical Units which consist of a qualified team of professionals, including an MCI Registered MBBS

Doctor, Pharmacist, ANM and a Lab Technician. The project has helped bridge gaps in existing health infrastructure and has touched more than 11.75 lakh lives in FY 2022-23.

- GAIL Utkarsh is a celebrated flagship CSR project that provides specialised residential coaching to underprivileged students for engineering entrance exams. As on date, a total of 1727 students have been benefitted through this project, out of which 1475 students have secured admissions in IITs/ NITs and other Engineering colleges. The project is currently being implemented at Kanpur, Uttar Pradesh (100 beneficiaries- Engineering entrance), Haldwani, Uttarakhand (50 beneficiaries- Engineering entrance) and Varanasi, Uttar Pradesh (60 girl beneficiaries- Engineering and Medical entrance).
- In FY 2022-23, under GAIL Kaushal, around 2500 individuals were provided skill training in trades related to hydrocarbon sector, plastic product manufacturing, vocational training to visually impaired etc. The majority of these trained beneficiaries have been gainfully employed in various sectors with each beneficiary contributing to the growth in respective household income annually.
- In FY 2022-23, aids and assistive de-

vices along with capacity building and skill development support were provided to approximately 7800 persons with disabilities (PwDs) under GAIL Saksham. The initiative has helped in empowering PwDs in gaining confidence level and a sense of dignity, reduction in dependency on others, as well as more access to livelihood opportunities.

- In a move to make the revered ghats at Varanasi pollution free, GAIL CSR under its Harit initiatives is supporting the conversion of petrol/ diesel boats plying on the river Ganga to CNG boats in association with Varanasi Nagar Nigam. Hon'ble Prime Minister, Sh. Narendra Modi on 07.07.2022 dedicated 500 boats to the Nation, which have been converted to run on the environment-friendly Compressed Natural Gas (CNG) from petrol and diesel.
- Augmentation/ development of the healthcare facilities at Shri Badrinath Dham town is being carried out for facilitating and providing state of the art health infrastructure facilities for pilgrims and the local populace in line with the Hon'ble Prime Minister's vision of developing the Badrinath shrine as a mini smart and spiritual city, without compromising on the religious sanctity and mythological importance of the region.
