

SCOPE's 49th AGM reflects new pathways of excellence

Standing Conference of Public Enterprises (SCOPE), an apex body of Public Sector Enterprises (PSEs) hosted its 49th Annual General Meeting (AGM) addressed by Sandeep Kumar Gupta, Chairman, SCOPE & CMD, GAIL; Atul Sobti, Director General, SCOPE; Brajesh Kumar Upadhyay, Vice Chairman, SCOPE and CMD, Goa Shipyard Limited in the presence of Executive Board Members of SCOPE, CMDs, Directors and Senior officials of member Public Sector Enterprises. The AGM attended by a large number of participants, encapsulated SCOPE's transcending role as the apex body of PSEs in "New India," highlighting the initiatives undertaken by SCOPE towards achieving its vision. Various novel initiatives like SCOPE's Social Interaction facility for PSEs in India; global collaborative efforts towards policy advocacy; employer representation on National and International forums; programs, workshops and studies in the areas of Skills & Labour, Corporate Governance, Leadership Development, Climate Action, Digital Transformation, Financial Management, Women empowerment, Health & wellness etc. were also showcased. Echoing SCOPE's commitment to coalesce and create a niche for PSEs across the globe, the meeting also presented the vision plan of the apex body, expanding and exploring newer pathways of excellence.

Rajeev Kumar Singhal takes charge as Director (Biz Development), GAIL

NEW DELHI: Rajeev Kumar Singhal took charge as the Director (Business Development), GAIL (India) Ltd on Tuesday. Singhal is an Electronics and Communication Engineer from IIT BHU Varanasi with a Diploma in Business & Finance from ICFAI. He joined GAIL in 1989 as an Assistant Executive Engineer and has spent over 30 years at GAIL in various roles. He has gained extensive exposure in the operation and maintenance of natural gas installations, SCADA/Telecom, LNG sourcing, trading, shipping, marketing, and business development activities covering mergers and acquisitions, diversification, renewables/green hydrogen, etc. Some of his notable achievements include marketing US LNG to six fertilizer plants under a long-term contract, renegotiating LNG sourcing contracts from Qatar & Russia, etc. **MPOST**

Rajeev Kumar Singhal assumes charge as Director (Business Development), GAIL

Rajeev Kumar Singhal assumed charge as the Director (Business Development), GAIL (India) Limited on Tuesday.

Singhal is an Electronics and Communication Engineer from IIT BHU Varanasi with a Diploma in Business and Finance from ICFAI. He joined GAIL in 1989 as an Assistant Executive Engineer and has spent more than three decades at GAIL in various roles.

He has gained extensive exposure in the operation and maintenance of natural gas installations, SCADA/Telecom, LNG sourcing, trading, shipping, marketing, and business development activities covering mergers and acquisitions, diversification, renewables/green hydrogen, etc.

Some of his notable achievements include marketing US LNG to six fertilizer plants under

a long-term contract, renegotiating LNG sourcing contracts from Qatar and Russia, spearheading the acquisition of JBF Petrochemical Limited through NCLT, setting up India's first Small Scale LNG project, and acquiring a 26% stake in Japonica, an LNG vessel company.
